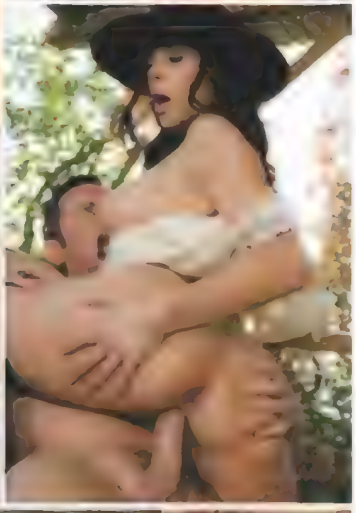
INTERVIEW WITH A PORN STAR

CHANEL PRESTON

35082

VERY CLOSE ENCOUNTERS!

What Makes This Porn Legend Get Hotter Than Anything And What She Loves Up Her Sweet Tight Asshole!



Prior to porn, what was your family life like?

I grew up in Alaska and had two older sisters. I was an active, social and popular in school. I was a swimmer for a few years and even wrestled for a while. That was fun. When I was 19, I moved away to Hawaii. Now, I live in Los Angeles.

What is the best way for a person to touch you?

My advice would be for the person to show intention. Commit to something and do it. If you want to be rough with me, then own it... be rough! If you want to be passionate, then go for that. Just don't pussyfoot around me. Act with full intention.

Since you perform with both men and women, would you say that you enjoy both sexes equally?

Men and women offer such different qualities. I enjoy having sex with each because men and women exude different energies that I get off on. I feel that I am more turned on by boy/girl sex though. I also feel that I perform better with men than with women.

Do you let loose more off screen or on screen?

I'm wilder on screen. I love performing. A switch turns on inside of me. It's not as if I turn into an alter ego. I am always Chanel. I just really enjoy letting myself go wild on camera and releasing my emotions. Porn is just so fascinating to me.

What type of sexual encounters do you prefer?

CHANEL PRESTON

FUCK FACTS

Well, I've never been one to like sex one way. I crave variety and enjoy having all different kinds of sex. What I'm up for also depends on my mood and the person I am going to have sex with. Some people are great at rougher style sex, while others excel with passionate, romantic sex. I don't necessarily have a specific type that I prefer, although I do love anal.

So then, there are times when you crave lovemaking just as much as kinky fucking?

Absolutely! I have a passion for all types of sex.

Undoubtedly, you are one of porn's top anal angels. What specifically do you enjoy about anal sex?

I adore feeling the pressure of the dick inside of my ass. It is so intense. I love that feeling so much and the orgasms are so much more intensive as well. It's hot and turns on me. Funny enough, though, I don't like the way fingers feel in my ass. It feels weird and kind of tickly in a way. Cock, yes... fingers, no!

What is the sexiest attribute that a person can possess?

Confidence! Intention! Some people mistake arrogance for confidence. These are two very different things that should never be confused. Again, if you're going to pull my hair- then pull it! If you're going to fuck my ass, then fuck it!

Name some positive attributes about being an A-List porn star.

There are so many perks of being a porn star. Aside from having sex with amazing people, I've always appreciated that I get to travel. I love traveling and exploring. I also love the physical and mental challenges that being a porn star provides. I've pushed my body and my mind to do things I've never thought I would or could do. Being a porn star gives me adrenaline.

Are you a believer in the notion that sexual adrenaline can lead to higher levels of sexual euphoria?

I absolutely believe in sexual adrenaline. I think there are various states one can reach during sex, and it's fun to explore those. I can't really think of specific instances because I am always striving to push forward sexually. Sex is healthy and necessary when maintaining a balanced life.

If you could have any superpower, what would it be?

I think it may be interesting to be able to read people's minds. I would want to know what men are really thinking by getting inside of their heads. Wait? Do I? (laughing)

What is your favorite thing about being an adult performer?

I love how open I can be. It's very liberating to feel so comfortable with sex. I can talk about sex and everyone will talk about sex with me! How cool is that?

What types of jobs did you hold prior to porn?

Before porn, I earned my Esthetician's license and managed a skin care line at Nordstroms. I also bartended and was a waitress for a while. I was also a stripper for over a year.

Do you still feature dance now?

I feature dance sometimes. I love wearing costumes and create routines. People seem to enjoy my pin-up routine. I also have a ring master costume, a teacher costume and a few other sexy ones too. Dancing is fun and I love doing it.

Because you were a stripper prior to porn, did that help your comfort level when you found yourself in front of the camera?

I was actually more comfortable doing porn than being a stripper. Porn is easier because when you sign up for a job, you know what to expect and you're likely to know everyone on set. When I was stripping, I loved being on stage but found it exhausting having to interact with so many different personalities. It takes a lot of energy out of you.

What was your first scene like and with whom did you perform?

I was nervous up until the point that action was called, then I was good to go. The movie was called Brand New Faces 33 (Vivid) and I worked with Nick Manning. The crew was small and Nick was great to work with. Having sex on camera was very easy for me after that.

What is your favorite way to be touched?

I have a fetish for hands and love being manhandled. I love it when strong hands hold me down and take control. Spanking and hair pulling are also a turn on for me.

What types of roles are you best at playing?

I really enjoy playing seductive roles that allow me to be in charge. It's fun being the sexy businesswoman or the strict principal. It's difficult for me to play naive type roles. I'd rather be the aggressor.

What other types of things do you enjoy doing?

I am an active person and I like being outdoors. I enjoy everything from swimming and hiking, to traveling and sitting at home doing absolutely nothing. I'm usually so busy that doing nothing sometimes feels great.

You've been in some incredible movies. Can you tell us about one that you are particularly proud of?

I shot with Ryan Madison in a movie called *Get My Belt* that was so intense. It was an amazing scene. Actually, it was nominated for Most Outrageous Sex Scene at the AVN Awards Show. That scene was so hardcore. I loved it.

Are you a voyeur?

Yes, I am a voyeur. I enjoy watching other people have sex and really going at it hard. I especially love watching men dominate.

What turns you off?

Bad hygiene is a real turn off. There is a difference between having a natural scent and having bad hygiene. The smell of natural pheromones can be very erotic, although an unkempt body is not. Scent plays a huge role in sexuality. If it's not a good smell, you can't get over it.

Have you ever run into a stinky person on set?

I've never had that problem in the porn industry. Everyone smells clean and takes great care of themselves.

How do you prepare yourself for hardcore scenes?

Performing gives me an adrenaline rush, but I must know what to expect beforehand. I need to mentally prepare myself and don't like to be surprised when I show up.

What is your favorite sexual position?

Missionary. I know that answer sounds so boring, but I love it. I also love doing anal in missionary too. It all feels so good that way.

Do you have a cumload preference?

Off screen, I enjoy when my partner cums inside of me. When performing, I don't really have a preference ,but I haven't done many creampies on camera.

Which starlet has the prettiest pussy?

Me! It's little, pretty and is a nice color. The best part is that she can take a whole lot. And, sometimes I grow out my pubic hair and sometimes I like to keep it smooth. She's a lot of fun to have around and I've definitely enjoyed her very much.

Madison was pretty sure her boyfriend was cheating on her. When she had her best friend Serena, they brainstormed on a mission and came up with the perfect trap. The two of them would get intoxicated and start making out. Then when Nick came by and saw the two of the going at it, he would join in and fuck the two of them. And it he dared to betray Serena's hot slit, Madison knew he was a certified scumbag. Well, minutes later, Nick's cock was deeply drilling Serena's cunt while he fingerfucked Madison's asshole. He went back and forth from pussy to pussy, capping everything off with a huge blast of jizz on both girl's faces. For some reason, neither Madison nor Serena were all that upset about the cheating thing anymore. A perfect trap, ladies.

AMERICAN Nannies

Let's face it, having your way with the hot nanny is a recurring fantasy that most family men have at least once in their life. Usually young, playful, and quite innocent, the idea of treating these erotic au pairs to your big boy cock is something you wouldn't mind offering up, in addition to their hourly rate. Well, what happens when these sweet birds of youth turn the tables and seduce the married men that employ them? An amazingly hot porn flick, that's what!

Today, while the lady of the house is away, a flock of four naughty nannies will play. This is the general premise presented in director B. Skow's latest offering called American Nannies that perfectly marries younger girls with foreign men in a way that packs a powerful punch. Even more electric than the fully charged scenarios is the incredible cast of industry powerhouses that include top starlets such as Carter Cruise and Dakota Skye. For those fans that are partial to the older/younger genre, this movie is definitely primed for the deviant daddies in everyone.

Daisy Haze, a Bohemian beauty begins her sumptuous affair with Steve Holmes by sitting with her legs spread, telling him about her daily activities with his son. Happy that his son had a great day and that this temping teen has just shaved her beautiful bush, Steve begins to get a little touchy-feely with the young beauty. "You're such a good nanny," he charms in a thick German accent, as he begins unbuttoning her blouse.

Completely turned on by his big blue eyes and the snake hidden in his pants, Daisy takes a seat on his lap and begins dry humping him. After a few moments of passionate kissing ensues, we can see wet splotches of clit cooze covering the crotch of his pants. This girl is ready to go!

Wanting a deeper taste of this teen dream, Steve positions Daisy on his face. Holding on to the back of the sofa, Daisy mills her sweet muff against Steve's open mouth, thrusting her cunt against his tongue. "Oh, Mr. Holmes that feels so good," she charms, as her brown eyes continuously roll to the back of her head. In a matter of moments, trickles of her love liquid begin seeping from the corners of his mouth. She's so wet.

Now ready to fill her youthful mouth with his experienced cock, Steve sets Daisy on her knees and urges her to open wide. Easily taking Steve to the back of her throat, which is no easy fete considering his size; Daisy proves that she's no stranger to the art of sucking cock. With her hands clasped behind her back, Daisy mouths him up and down, including his balls in her no-hands play.

Fully erect and ready to graduate this sexy student to the next level, Steve arranges Daisy on his lap in reverse cowgirl. In order to obtain the perfect stride, she rests her small feet on the top of his thighs, anchoring down, as her pussy is stuffed, nice 'n full. After plenty of pussy pounding and honey smacking ensues, Steve covers this yummy delight with pellets of his population pudding. What a bad daddy!

In another home, we find Alexis Adam asking Mick Blue, her employer, candid questions about the art of sex. A self-proclaimed virgin, she tells him that her sex-crazed boyfriend is pressuring her into having sex. Afraid that she won't measure up, she looks to him with her puppy-brown eyes and pouts, "I want you to teach me how to do things right."

At this point, she's unbuttoned her sweatshirt and her magnificent pair of natural titties are on full display. With pink nipples and tight titties that hang from her chest like ripened fruit, Mick finds it entirely impossible to resist her blossomed body.

"Do you think my boyfriend will like my breasts?" she enquires, placing his hands against her cherry-scented flesh. By this point, his mouth and hands are playing double duty against her heavenly set. In a matter of moments, the room fills with his sweet suckling sounds.

"Can I put your dick in my mouth to see what it feels li...?" she continues. Before the last word of her sentence can be uttered, his cock is eight inches down her neck as her eyeballs water and her young mouth salivates. While she's truly doing a magnificent job at polishing his pole, Mick sinks his hands into her dirty blonde hair and admires the look of his veteran cock in her virgin mouth.

Ready to taste the fruits of his labor, Mick rolls Alexis on her back and parts her legs. With sticky cooze stringers dangling across her spongy labia, Mick rakes is tongue across her great divide, collecting her syrup against his tongue. "This tastes delicious," he sighs, coating his mouth with her yummy yolk. After releasing an orgasmic rush into his mouth, Alexis springs to life and practically begs the handsome Austrian to stuff her pussy full of his experienced meat.

Granting her wish, Mick slips his cock into her wet and warm vagina from behind her in spoon position. With the camera panned right against the penetrative action, we can literally see Alexis's immaculate pussy stretch open to accommodate for his girth. It's a great scene!

Meanwhile, in another foreign household, we find Dakota Skye, the new nanny, lying across Ramon Nomar's bed, stuffing her asshole with a cucumber from his garden. Easily injecting the huge vegetable in and out of her elastic anus, we can tell that this particular nanny is well versed in hardcore sex. Defying the laws of space, our eyes and mind begin to boggle, watching this pint-sized plaything continually shove this object up her butt that is practically the same size as her arm.

When she's done with it, the naughty girl places it back in the vegetable crisper in the refrigerator. In time, while fixing to make a salad, Ramon notices the cucumber and begins smelling it. He even allows Toni Ribas, his nasty neighbor to smell it too. "It smells like young asshole," he contends, as Ramon begins getting quite turned on by the possibility of it all.

Later that same day, Dakota decides to act out her fantasies for real by waking up Ramon with a slutty kiss. Soon, their two mouths are fused together and spit is swapping from lip to lip. "You're a bad girl," Ramon declares in a sexy Spanish accent.

Instead of agreeing with his proclamation, Dakota positions herself on her hands and knees, shaking her ass for her handsome employer. Diving in face first, Ramon ingests a mouthful of her elastic anus, sniffing her ring and fingering her to pop. When his fingers dredge in and out of her butthole with minimal effort, he knows this American Nanny is ready to go deeper.

Sitting on his lap in cowgirl position, Dakota impales her pucker with his pole. After a few preliminary pumps, she begins charging up and down his cock like a piston underneath the hood of a hotrod. Holding her narrow hips, Ramon helps her up and down, treating this spinner's sphincter to more cock than can be imagined. Up for the challenge, Dakota keeps up with his frantic pace, actually making him break a sweat in the process!

In the final encounter of the movie, we find Toni Ribas trying to teach Carter Cruise how to slow dance and sway to the music. An obedient student, Carter is more than happy to learn and is quite light on her feet.

As his teaching commences, his towel accidentally falls from around his waist. Now fully exposed and fully erect, Toni simply continues with the lesson, as young Carter becomes quite frisky, touching his hard cock and giving him goo-goo eyes.

Knowing that he must strike now while the iron is hot, Toni lies Carter down and parts her tanned legs. When he sees that she's noticeably goopy in the middle, Toni inserts a few fingers and begins feeling around for her G-Spot. Once located, he works her with his magic fingers, causing her to squirt her delights like an exploding geyser. Hot!

Once her eyes uncross from her explosive orgasm, Toni slips his cock into her tight asshole in spoon position. Holding her open at the ankles, Toni dives in deep, filling up her anus to full capacity. Smiling and moaning throughout, we can tell that Carter is sexually advanced and perfectly capable of giving a stud like Toni a run for his money. Vigorously pumping, Toni never eases up on Carter, giving her an intensive anal injection that she won't soon forget. Instead, Toni fucks her hard until she creams and screams. Once his baby batter is splattered across her ass, their delectable scene ends on the highest note imaginable.

Wrapping the day with a smile on his face, B. Skow thanks the cast and crew and happily walks off set. Leaving us all in a state of lustful longing, we reach for our cell phones in a heated attempt at locating a hot babysitting service. With "happy endings" as sweet as these, can you blame us for wanting some hot American Nannies action of our own? Of course not! Check out this hot commodity for yourself and you'll see what we mean.

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans, but if you'd like to WANT IT MORE and DO IT MORE, if you'd like a BIGGER STIFFER ERECTION that goes the distance, Tocopherol may be the answer for you. Tocopherol is completely safe for human human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

Meeting In Her Middle

Beautiful brunette Edita has no trouble meeting guys at her job. The thing is, she prefers coworkers. "I like to meet after work at upscale hotels so nothing is done at work, see? Then I want to be wined and dined and then, (giggles) 69'd!" she told us. "I take off my panties and they lick me nice and long and deep, and once they get me off, I'll let them cum inside me if they want!" Sounds like a plan! HR shouldn't be against it.

BFF's BF F'D!

I didn't want to fuck my best friend's boyfriend, but I did! We've always hit it off and finally, we made out. He told me that having his hands on my big breasts was a dream of his, so when I let him eat my slit and started sucking him off, he must have been having the best dream of his life! When he slammed his meat inside me, I desperately wanted him to cum inside me, but I knew that would be trouble, so I slurped his load right from his cock like it was a water fountain! I hope my best friend isn't too pissed off; her favorite two people in the world sure had fun!
